WHEREAS, Nevada Revised Statutes ("NRS") 412.122 provides that "the Governor may in case of . . . substantial threat to life or property, order into active service of the State for such a period, to such an extent and in such a manner as he or she deems necessary all or any part of the Nevada National Guard[;]" and

WHEREAS, NRS 412.138 provides that "[w]hen members of the Nevada National Guard are called into state active duty by the Governor to fight a fire, combat a flood or any other emergency where members of the Nevada National Guard are performing as a labor force rather than a military force, they shall receive pay and allowances equal to that received by the main labor force in the service of the State or Federal Government."

Funding to support this mission will be provided by the support agency.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Nevada to be affixed at the State Capitol in Carson City, this first day of March, in the year two thousand eleven.
