

## *A Proclamation by the Governor*

**WHEREAS**, the chiropractic profession is the fastest-growing healthcare profession in the United States, with over 10,000 chiropractors and 30 million chiropractic patients across the country each year; and

**WHEREAS**, chiropractic care is becoming the primary care for most Americans, by improving healing time, reducing the risk of injury, and saving millions of dollars from unwanted healthcare costs; and

**WHEREAS**, the Chiropractic healthcare profession focuses on the disorder of the musculoskeletal system and nervous system, with techniques that are non-evasive and without the use of drugs or surgery of any kind; and

**WHEREAS**, the most common procedure performed by chiropractors is a chiropractic adjustment. The adjustment removes subluxations and improves the body's function and healing potential; and

**WHEREAS**, it is important to be aware of and research the causes of vertebral subluxation in order to experience a better life and improved overall health. Chiropractic care is the only profession that is trained to locate and analyze incorrect vertebral subluxations;

**NOW, THEREFORE, I, BRIAN SANDOVAL, GOVERNOR OF THE STATE OF NEVADA, do hereby proclaim March 2015 as**

### **CHIROPRACTIC MONTH IN NEVADA**

*In Witness Whereof*, I have hereunto set my hand and caused the Great Seal of the State of Nevada to be affixed at the State Capitol in Carson City, this 23<sup>rd</sup> day of January, 2015.
