The Honorable Brian Sandoval
Governor
State of Nevada
Carson City State Capitol Building
101 N. Carson Street
Carson City, NV 89701

VIA E-MAIL

Dear Governor Sandoval:

The purpose of this letter is to inform you effective today that I am resigning my position as a member of the Nevada Gaming Commission.

My family and I have been in the gaming business in Nevada for over 50 years and we are proud of the industry in which we helped shape and we are equally proud of the state that has created the finest gaming regulatory authority in the world.

I regret that on-going business litigation that my family is involved in has caused me to submit my resignation, but I do so out of deep respect for the NGC and to not allow myself to become an unnecessary distraction from the important regulatory oversight work it does on behalf of the citizens of Nevada.

As a member of the Commission, I would like you to know that I always tried to conduct myself with the highest standards of professionalism consistent with the tradition members of this body have followed past and present.

Thank you for your confidence in me and please know it has been a distinct honor and privilege for me to serve the State of Nevada.

Sincerely,

Michonne Ascuaga
