Coordinating Workforce Development for Northern Nevada

Nevadaworks works with employers and partners throughout Northern Nevada to align services, leverage resources, and promote a seamless and integrated service delivery model in the region through the One-Stop System. This ensures both employers and job seekers are served at a high level, creating the greatest community impact.

To this end, the mission of the One-Stop System and its partners is to support, advance, and expand the regional economy through a skilled and competitive workforce in Northern Nevada.

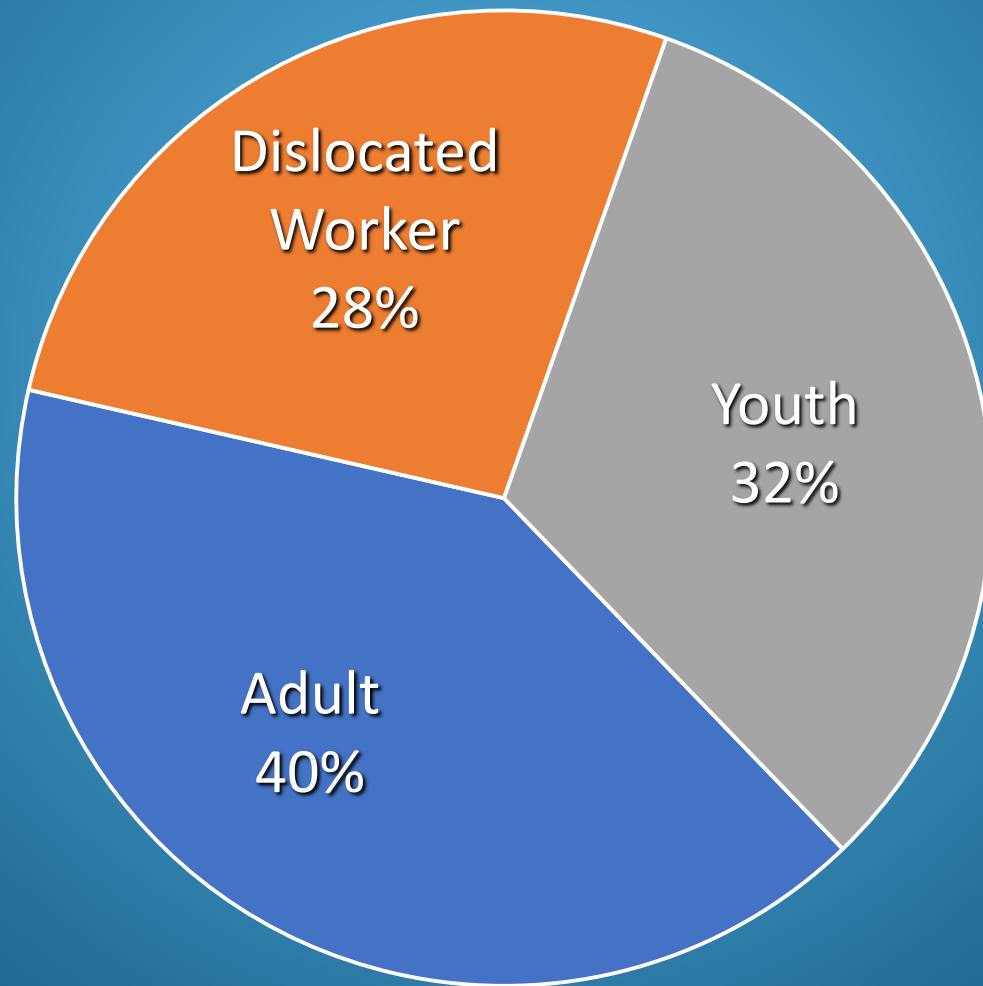

Nevadaworks' total funding is comprised of federal funding from the Workforce Innovation and Opportunity Act (WIOA):

Adult	Youth	Dislocated Worker	Total
\$2,779,750	\$2,196,410	\$1,959,026	\$6,935,186

- Nevadaworks budgets 85% of the funding for employment and training services in the community.
- The remaining 15% is budgeted for Board operations.
- In the current year, Nevadaworks has 13 contracts with 7 different organizations. Nevadaworks is currently ramping up a One-Stop Career Center in Northern Nevada with an estimated completion date of March 2018 .
