*Nevada Hospital Association Status Updated Daily

COVID-19 CASES IN NEVADA

*NAs of 4/8/2020 cumulative daily death counts are displayed by date of death, rather than the date that the death was reported to the state. The total count for statewide deaths on the first tab may not equal the sum of the cumulative daily death counts because of cases where exact date of death is unknown or pending report.*
IF YOU HAVE SYMPTOMS, HAVE TESTED POSITIVE, OR HAVE BEEN EXPOSED TO COVID-19, AND CONTINUE TO LEAVE YOUR HOME, YOU WILL SPREAD THE VIRUS TO OTHERS.

PLEASE PROTECT YOUR COMMUNITY AND STAY HOME

FEDERAL, STATE AND LOCAL MEDICAL EXPERTS AGREE:
STAYING HOME AND SELF-ISOLATION ARE THE MOST EFFECTIVE WAYS TO PREVENT THE SPREAD OF COVID-19.

#StayHomeForNevada
NEVADA HERO OF THE DAY

ASHLEY & COLBY FREY

Thank you, Ashley and Colby, for your dedication to the Fallon Community.

WASHOE CERT TEAM

The Washoe County Sheriff’s Office Community Emergency Response Team is made up of everyday citizens who are helping the COVID-19 response by providing screening to their fellow Washoe County residents.

Thank you, Washoe County CERT members, for supporting the community.

MELISSA JACKSON

Melissa, a second grade teacher at Douglas Elementary, purchased materials for a student so they could participate in assignments.

Thank you, Melissa, for ensuring all your students have the opportunity to learn.

STEVEN KOOSER

Steven, a bus driver for RTC-Southern Nevada, provided school transportation needs to many people every day.

Thank you, Steven, for ensuring transportation needs are met.

AMANDA HILTON

Amanda, general manager of Robinson Nevada Pharmacy Company, has donated medical supplies and syringes to healthcare workers, children and seniors in Elko.

Thank you, Amanda, for helping communities of eastern Nevada.

LEVEL 4 – DO NOT TRAVEL

The Department of State advises U.S. citizens to avoid all international travel due to the global impact of COVID-19. In countries where commercial departure options remain available, U.S. citizens who live in the United States should arrange for immediate return to the United States, unless they are prepared to remain abroad for an indefinite period.

At present the Department of State is making every effort to assist U.S. citizens overseas who wish to return to the United States. As the Covid-19 situation develops, our ability to provide such assistance working with commercial airlines or arranging for evacuation flights may become more limited or even unavailable. In recent weeks, commercial airlines have significantly reduced flight schedules and countries have closed airports and borders with little advance notice. If you wish to return to the United States, you should make arrangements to do so now and contact the nearest U.S. Embassy or Consulate for assistance as needed. There is no guarantee that the Department of State will be able to continue to provide repatriation assistance and transportation options to the United States may be unavailable in the future. If you choose to remain overseas, you should be prepared to remain where you are for the foreseeable future.

U.S. citizens who live abroad should avoid all international travel.

LEVEL 3 – AVOID NONESSENTIAL TRAVEL

- Widespread ongoing transmission of a respiratory illness caused by the novel coronavirus (COVID-19) is occurring globally.
- CDC recommends that travelers avoid all nonessential international travel.
- Older adults and people of any age with serious chronic medical conditions are at increased risk for severe disease.
- There may be limited access to adequate medical care in affected areas.
- US residents may have difficulty returning to the United States.
- Travelers should avoid contact with sick people and wash their hands often with soap and water for at least 20 seconds. If soap and water are not readily available, use an alcohol-based hand sanitizer that contains at least 60% alcohol.
- All international travelers should stay home for 14 days after returning from travel, monitor their health, and practice social distancing.
