Governor Sisolak will help introduce autonomous delivery company to Southern Nevada

LAS VEGAS – Governor Steve Sisolak will join Senator Jacky Rosen on Thursday in introducing Nuro, a leading autonomous delivery company at the Las Vegas Motor Speedway. The announcement will detail the company's plans to invest \$40 million in two facilities in Southern Nevada that will create more than 250 high skilled tech sector jobs. Plans call for building an end-of-line manufacturing facility and world-class closed-course testing track to commercialize and scale production of the company's third-generation autonomous vehicle.

- **What:** Nuro Press Conference.
- **Confirmed Speakers:** Senator Rosen, Governor Sisolak, Nuro Co-Founder and President Dave Ferguson.
- **When:** Thursday, Aug 26., 11 a.m.
- **Where:** Las Vegas Motor Speedway Media Center, 7000 Las Vegas Boulevard, North
- **RSVP:** If you are covering, please send me an email or call me to register for the event

###

About the Governor's Office of Economic Development

Created during the 2011 session of the Nevada Legislature, the [Governor's Office of Economic Development](#) is the result of a collaborative effort between the Nevada Legislature and the Governor's Office to restructure economic development in the state. GOED's role is to promote a robust, diversified and prosperous economy in Nevada, to stimulate business expansion and retention, encourage entrepreneurial enterprise, attract new businesses and facilitate community development.
