

# - Nevada Agreement for - Recreation Shared Stewardship

## OVERVIEW & HIGHLIGHTS

Signed by Governor Sisolak, along with state and federal partners on March 23, 2022, the Nevada Agreement for Recreation Shared Stewardship is a strategic partnership focused on advancing sustainable, equitable, and accessible outdoor recreation opportunities throughout Nevada. Each partner agency, with input from tribal members and interested parties, will work together to create and enhance outdoor recreation opportunities, protect the natural environment and cultural resources, and strengthen local economies.

## SHARED GOALS & PRIORITIES

**Create a strategic plan** for advancing sustainable outdoor recreation throughout Nevada by strengthening collaboration, sharing data and resources, and leveraging access to funding opportunities

**Support healthy communities and a vibrant economy** by creating a diverse array of sustainable recreation opportunities for people of all ages, backgrounds, and abilities

**Promote environmental stewardship** through strategic, coordinated messaging centered on responsible recreation ethics
